20. 69.9 % of students strongly agreed about overall quality of teaching-learning process in the college is very good while 26.5% of the students agreed about it.

Suggestions from students:

Students made following suggestions for strengthening teaching-learning process and improvement in quality of the college:

- Students expected that teachers should make more use of ICT tools in teaching – learning process.
- They also feel that teachers should apply intensive student centric methods.
- Students suggested that college should promote students to participation of extra-curricular activities.
- Students expected that college should take initiatives to organize internship, student exchange and field visit for them.
- Students suggested that career and counseling cell should be active in the college.
- Students expressed their views that introducing new courses for skill development is need of the hour.

Shri Samarth Arts and Commerce College, Ashti

Action Taken Report

The Students Satisfaction Survey was placed before Staff Council Meeting on **4 February 2024**. Following suggestions were made by members during the discussion:

- (a) Internal evaluation should be strengthened in the college.
- (b) Teachers should give more time and space to students to share views on academic performance.
- (c) The scope of student centric methods should enhance in teaching-learning process.
